

Fremont Elks Lodge #2121

The Twenty One'r Bulletin

Message from the Exalted Ruler

Hello Elks Members,

I hope everyone is having a great summer.

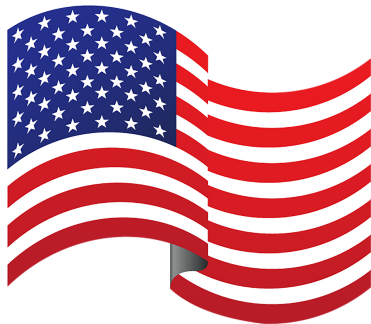

Just giving you an Update on the Big Item in the works!

The Storage Shed Project was voted on and Approved at the last lodge meeting!

This is an exciting time for our Fremont Elks Lodge, we desperately needed this project to get off the ground, there will be a lot of steps in the project timeline and **Trustee Luis Lira** gave a very comprehensive overview of the project. He said the Design Drawings and Project Sheets will continue to be available in the members room, as they have for the last 2 months for everyone to view.

Trustee Luis Lira has asked for Volunteers to step up when needed for simple tasks; **contractors will be taking care of the main items**, but cleaning, organizing, assembling shelving units, etc, etc... will be needed at various times when called upon, to keep the project moving forward. Luis has assured us that when the time is right, he will ask for Volunteers and I'm sure, All of our Elks Members will rise to the occasion when needed.

I want to personally thank all the Trustees for launching this project and seeing it to its completion.

Also, we will be hosting our new CHEA State President "Brad Smith" on September 9th, 2022, he will be visiting for the evening and our new Bay District DDGER Greg Carlson will be joining us at the Lodge Meeting on October 26th, 2022, so Save the Dates!

I hope your families continue to be Happy and Healthy!

Fraternally, ER - Steve Coulthard

TO OUR ABSENT MEMBERS - The clock of their day has stopped and across the dial the motionless shadow marks the hour of eleven. The faults of our members we write upon the sand and their virtues upon the tables of love and memory.

Tulio Acquistapace passed away May 28, 2022. He was a member for 23 years. There will be a Celebration of Life later in the year.

From the Desk of the Bookkeeper

Dear Members:

If you are holding on to any checks that were issued and likely stale dated (six months or more), please turn them into me as soon as you can. Because of the accounting reporting system, I am mandated to use, these items have to be handled in a specific way. If you have checks six months or less, please get them deposited as soon as you can. If you have any questions, feel free to contact me.

Thank you all for your help in this matter.

Sincerely,

Vicky Blandino - Bookkeeper

Elks Lodge Food Drive

Thank you to everyone who has been donating and helping with the food drive we have been holding with Abode Service for Veterans living in our community

Some members have been asking about donating perishable items and we are pleased to announce that as of Monday August 8, Abode will have a commercial refrigerator.

The first request for this unit would be eggs, hamburger, chicken bread, lunch meats, milk and cheese (no bulk items). Of course due to these items being perishable, please be sure to coordinate with Cami Sereni in the Lodge office. She will see that any perishable items are put into the lodge walk-in refrigerator until Denise English can pick them up for delivery to Abode.

Lodge Office hours are Monday - Thursday 9am - 2pm or contact Cami at 510-797-2121 ext 3 or camielks@gmail.com to make other arrangements.

Thank you for your support and continuing to show how much ELKS CARE, ELKS SHARE!

Jo Ann & Steve Kay, Denise English - Chair Coordinators

Elks Lodge Backpack Donation

Today was the first delivery of backpacks for those who need a little extra help. Thanks to those helping us as we continue to serve our community. This is all part of the Elks ENF Beacon Grant. But we

can't do it with money alone. We have had almost 35 dedicated volunteers make this a reality.

Around 175 backpacks, the real reward was the huge toothless grin of one of the little boys!

The Fall Brawl of Bocce will be coming Soon as we head into the Fall Season! Get your Bocce Pairs together for the new Season!

Sports Committee Chairperson

- Jewels Hanson

Are you Ready to Play Bocce ?

Ever thought about playing bocce but didn't because

- You couldn't convince/didn't know 7 others to play and be on your team?
- All team spots were full by the time you knew it was sign-ups?
- You don't know the Fremont Elks' Bocce Rules?
- Spring League is too competitive/intense/Long?
- Another reason I didn't mention?

Now's your Turn! This Fall's Bocce season will start with a training night on 9/27 - two weeks after end of Spring Tournament :

- Simulated games / Practice Games
- Learn the rules
- Learn some Strategies from our regulars
- Learn what it takes to umpire

Followed by 8 weeks of play with a single elimination playoff night.

- Sign up with a partner/Buddy to ensure you are on the same team.
- Teams will be chosen by draft to ensure all teams have similar experience (not all rookies, not all veterans, but similar balance of each)
- Play every Tuesday – No Bye Weeks
- Rainouts will be added to end of season (as opposed to pushing schedule back a week)

Early Registration begins NOW!!!

For those Pairs that have either never played, or haven't played since before Covid.

Regular registration (for everyone else) begins the final week of the Spring Games – Watch for it!

DON'T DELAY – SPACE IS LIMITED TO 32 Pairs
